

MARKJUNIOR SCHOOL FEBRUARY NEWSLETTER

Dear MarkJunior School Community,

Happy February! We hope this newsletter finds you well and enjoying the many opportunities that our school has to offer. As we move further into the second semester, we have several important updates and announcements to share.

Black History Month

February is Black History Month, and we are excited to celebrate the contributions and achievements of African Americans throughout history. Our students will be learning about the accomplishments of notable Black figures, and we encourage families to continue this discussion at home. We also invite you to attend our Black History Month celebration on February 25th at 6:00 PM.

Valentine's Day Celebration

On February 14th, we will be holding a Valentine's Day celebration for our students. Students are encouraged to wear red or pink to school, and we will

have a special treat for all students during lunchtime. We remind parents to please refrain from sending any food or candy to school due to potential allergies.

MarkJunior School Annual Science Fair

Don't forget, the MarkJunior School Annual Science Fair is coming up on March 3rd! This event is open to all students in grades 6-8, and we encourage students to continue working hard on their science fair projects. More information about the science fair will be provided in the coming weeks.

MarkJunior School Book Fair

The MarkJunior School Book Fair will be held from February 21st through February 24th. Students will have the opportunity to browse and purchase a variety of books, and we encourage families to visit the book fair as well.

As always, please feel free to contact us if you have any questions or concerns.

Thank you for your continued support of MarkJunior School.
